

NON-PROFIT EVENTS

NON-PROFIT EVENTS

We understand that every little bit counts when running a non-profit organization, and to help you make the most from your gala or fundraiser we offer special pricing for non-profit events held at the Mounds View Event and Conference Center. Celebrate your volunteers and employees with a banquet to let them know how appreciated they are. Host a school banquet to celebrate the end of an activity season! Our large event center allows for your guests to dine while also having plenty of space for additional activity such as dancing, silent auctions or presentations. Our open catering policy allows you to work within any budget by being able to choose your own caterer or bring in your own food and non-alcoholic beverages!
